**Building and Site Sinking Fund  
Millage Renewal Proposal**

*This proposal will renew and restore the authority last approved by the electors in 2019 and which expires with the 2024 levy for the School District to levy a building and site sinking fund millage, the proceeds of which will be used to make improvements and repairs to the School District's facilities. The prior authorization of 1.25 mills has been permanently reduced to 1.2127 mills pursuant to the reduction required under the Michigan Constitution. Pursuant to State law, the expenditure of the building and site sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, maintenance or other operating expenses.*

Shall the Romeo Community Schools be authorized to levy 1.25 mills (\$1.25 on each \$1,000 of taxable valuation), for a period of five (5) years, being the years 2025 to 2029, inclusive, to create a building and site sinking fund to be used for the construction or repair of school buildings, school security improvements, the acquisition or upgrading of technology, the acquisition of student transportation vehicles, trucks and vans and parts, supplies and equipment used for the maintenance of these vehicles and for any other purposes permitted by law? This millage if approved and levied would provide estimated revenues to the School District of approximately \$3,466,200 during the 2025 calendar year.
